

Census 2020 Facts!

The census

- counts all of the people living in the United States, Puerto Rico and the Island Areas
- is the *law*
- is every 10 years
- has 7 or 9 questions for each person in the home

Census workers are called *Enumerators*. ***Enumerators do NOT ask for money or credit card information!***

March 2020

- every house and apartment will get a Census 2020 form

April 2020

- every adult living in the USA must answer the questions
- parents must answer the questions for the children
- you can answer the questions on the computer, **or** on paper, **or** on the telephone

May 2020

- Census workers will come to your house and ask the questions if you don't finish in April

Who is counted?

- Adults
- children
- babies
- immigrants
- citizens
- non-citizens
- EVERYONE!

Why: The census helps the government decide how and where to spend our tax money. The money goes to:

- new roads
- schools and services for children
- hospitals
- healthcare programs
- seniors
- disabled people

- Adult Schools

Private: Your information on the census is private. It is illegal for Census workers to share your information. Census workers can go to jail if they share your private information.

Directions: After reading the “Census 2020 Facts!” sheet do activities A), B), C) and D).

A) Vocabulary match:

- | | |
|------------------|--------------------|
| 1. Census Worker | a. can't share |
| 2. Private | b. against the law |
| 3. Illegal | c. need to do it |
| 4. it is the law | d. an Enumerator |

B) Mark (T) for true or (F) for false next to each sentence.

- _____ 1. The census happens every year.
- _____ 2. The census is the law. All people in the United States must be counted.
- _____ 3. Each family will complete the census on paper, online **and** in person.
- _____ 4. You need to finish the census in March, 2020.
- _____ 5. We need to do the census because we can get more money for schools, roads and hospitals if all of the people are counted.
- _____ 6. There are 10 questions on the census form.
- _____ 7. It is against the law for census workers to share your private information.

C) Re-read the sentences you marked as (F) false. Cross out the words that are false and write the true/correct information.

D) Talk to your classmates:

- a) Why is the census important?
- b) How does the census help people in our community?
